Tropical Technologies Software - YAXS

NEWS_PDF_AUTHOR: Tropics

NEWS_PDF_DATE: 2005/1/27 3:21:35

The [Tropical Technologies homepage](#) just got a major overhaul, using Xoops of course. It's a small site listing some freeware i made in my spare time. Xoops made it very easy to create a nice site containing all the features i wanted: a download section, news on the main page and a forum for the support. Usability was the major concern.

Come and visit! Any comments are welcome, and additionally you might find some useful software, too!
