Admin DEMO up! - YAXS

NEWS_PDF_AUTHOR: jascha

NEWS_PDF_DATE: 2002/3/25 21:11:15

Digioso Hosting has put up a Xoops Demo site for people to test out the Admin functions of Xoops. Please be responsible and don't abuse the demo. We will be reseting it periodically. There is also the Alternative Section module to test along with others we find useful. (More modules will be added for testing in the future.)

Xoops DEMO
