

New Hosting Site Goes To Xoops - YAXS

NEWS\_PDF\_AUTHOR: kiwiguy

NEWS\_PDF\_DATE: 2005/2/16 7:16:47

I have just opened a new XOOPS Site specifically for my hosting service. With insane prices and if you do not see what your after feel free to contact me and we can tailor make a package just for you.

you can view this site athttp://www.insane-space.com

The site is still having work done to it but is taking memberships and orders.

regards kiwiguy
