Hello great community of xoopers.

I have been working on this site for quite a while and we took it public a couple weeks ago. There is still a bunch of work and improvements to do, and I would love to get some feedback of you! Come visit and if you like it register and stay!

Thanks! 🙏

ElectronicCulture.net is a new online community for electronic music enthusiasts, whether they be artists, musicians, dancers, ravers or professionals. The site is open to everyone who is interested. Here you will find member profiles, user photo galleries, music download and community forums. Our goal is to create a central meeting place for people of like minds to exchange ideas and have a great time.
