This is a dual language site in Swedish and English, about a bicycle project we will do in April.

It is based upon:

Xoops 2.0.9.2

AMS 2.4

Multilanguage 1.4

Weblinks 0.91

Smartpartner 1.0

Xoops stats 0.45

Xoops Protector 2.2

A slightly modified Imago03 theme.

Will soon also use:

Multimenu 1.61

XCGallery 1.1

I would like to thank all of you module developers for making all those great tools for us..... 🙏

Please give me comments and suggestions in the Guestbook!

regards/falke
