

PD-Downloads & PD-Links 1.0 Released - Modules

NEWS_PDF_AUTHOR: krobi

NEWS_PDF_DATE: 2005/3/5 16:31:59

We from **Power-Dreams** are proud to publish two new modules to the Xoops Community.

PD-Downloads 1.0

This Module is based on the WF-Downloads 2.05a Module.

We have fixed many bugs and deleted some features, on the other hand we have some interesting new features in it.

This new features make it easier for you to administrate the module.

PD-Links 1.0

This Module is also based on the WF-Downloads 2.05a Module.

This Module is specially done for the use with Links.

At this place we want to thank all the Beta-Testers from MyXoops.de.
