

## WF-Downloads Image Packs - Modules

NEWS\_PDF\_AUTHOR: xpider

NEWS\_PDF\_DATE: 2005/3/14 16:55:52

This is an add-on image pack for wf-downloads.

There are 2 image packs in this zip file...

First is the wfddisks01 folder: this is a revised set for the original.

fixed: revised translucent empty folder disk so that is truly transparent.

added: revised delete, edit and approve icons for admin

added: revised review icon

added: revised rating icons... they look much better now.

added: revised new, popular and updated icons.

Second Folder wdfolders01:

Created: new folder icons and download animation.

Created: new set of ratings icons...

The following are the same as the revised..

added: revised delete, edit and approve icons for admin

added: revised review icon

added: revised new, popular and updated icons.

Please read the readme.text file that is also located in the zip file...

Download at: [WF-Projects](#)

file name: wfdipaks031305

I hope you like them,

Xpider
