Software & Services Website - YAXS

NEWS_PDF_AUTHOR: ashit

NEWS_PDF_DATE: 2005/4/12 9:50:59

I have just created my company website without any external tech help. I am not a programmer, but have tried out some hacks.

My company Geometrix provides Software & Solutions to AEC professionals. Have a look at it at http://www.geo-metrix.com
I'd like your comments and suggestions.

I have just created my company website without any external tech help. I am not a programmer, but have tried out some hacks.

My company [Geometrix](#) provides Software & Solutions to AEC professionals. Have a look at it at http://www.geo-metrix.com
I'd like your comments and suggestions.
