

Personal Site online - YAXS

NEWS\_PDF\_AUTHOR: NetizenJo

NEWS\_PDF\_DATE: 2005/4/13 21:02:12

Hi everyone,

I have just reached point where I dare to write here 😊.

So, my site <http://www.hoerlin.de> is online. Find Information on **Me, Training** and my **family history**. Parts of the homepage have already been made multilingual, which means English and German.

Have fun surfing and I am looking forward to some feedback.
