

Resmanager module version 1.2 - Modules

NEWS_PDF_AUTHOR: loudo

NEWS_PDF_DATE: 2005/4/17 9:15:51

Hello,

A new version of the module is available now. There is just the translation of the module and a few bug correction.

V1.2 :

- German Translation
- Italian Translation
- Bug correction for popup
- Hour 0->23 insted of 1->24
- Delete reference call in class
- English Translation

You can dowload it in the <http://loudo.agora-system.com> site.

Loudo.
