

Xoops Themes Brazil Plugged in air - Themes

NEWS_PDF_AUTHOR: Gisa_lag

NEWS_PDF_DATE: 2005/4/29 21:32:03

But which the objective? The objective to change the face of xoops in Brasil and who knows in the world. Pretension? not, the site appears with the idea to congregate possibly otimos layouts and integration with the flash or tableless, and to improve the graphical interface providing something has led, pretty and functional. Still total it is not finished, and was made with affection.

To start we will initiate for deep the study of designer for xoops. Treating since the graphical part the functionalities to smarty.

In briefing we want to place more modules and to congregate the best collection of themes of Brazil. It participates..... You After all will only be adding for the community xoops in Brazil.
