ZentrackXoops 2.5.5 Released - Modules

NEWS_PDF_AUTHOR: dkeir

NEWS_PDF_DATE: 2005/5/8 8:20:08

A new release of ZenTrackXoops is now available for download.

Get it from ZenTrackXoops on SourceForge

ZenTrackXoops 2.5.5 is a Xoops 2 Module based on the latest version of the excellent ZenTrack Help Desk, Project Management & Bug Tracking tool

New features include:
- Field Maps (ability to customize fields and behavior on each major screen)
- Sorting of ticket lists
- Export to excel
- Send reminders to users when tickets are overdue using cron/scheduled tasks
