Hi All,

Our portal use XOOPs : <http://k36.vietkha.com>

Firstly, thousand thanks to XOOPs friend whom supported us on building the portal

Secondly, may i introduce our website on business opportunity Development in Vietnamese. It was made by alumnus of Vietnam Foreign trade university (HCM city) - <http://k36.vietkha.com>. It is open channel about biz dev, economics dev, ecommerce dev, cultural exchange...

Thirdly, we intend to develop it more and more with stronger support from XOOPs. We hope the portal will be the largest biz information and exchange portal in Vietnam.

Please kindly take time to visit us and give us your kind comment on the site.

New side of life with <http://k36.vietkha.com>

Many thanks

Kurt Binh 🙏🙏🙏
