

SamikLand Theme - Themes

NEWS_PDF_AUTHOR: Samik

NEWS_PDF_DATE: 2005/5/16 10:57:04

Here is my new Xoops theme with random header.

SamikLand Theme by Daniele Lembo (samik.freesuperhost.com) based on [Aston Themes obscene_v3](#)

How it works:

Change in the index page the 'n' with the number of your headers

Create many images as the 'n' and put them in the 'logos' directory under the theme root.

Thet's all.

[Download](#)
