

CBB calling for team members - Developer News

NEWS\_PDF\_AUTHOR: phppp

NEWS\_PDF\_DATE: 2005/5/24 13:03:35

CBB, the XOOPS Community Bulletin Board module, is now calling for team members.

**1. Designer:**

- A. Proficiency in CSS, XHTML 1.0 and cross-browser design
- B. Strong motivation and clear ideas to improve CBB layout
- C. Hand-on experiences in graphics (You may call or graphics assistants)

**2 Team Coordinator:**

- . Native English speaking is desirable
- . Collecting and pre-processing feature requests and bug reports
- . Leading CBB tutorial and documentation

**3. Co-developers**

- . Ability and willing to develop CBB on XOOPS 2.2 and XOOPSphere
- . Standard coding style and security related PHP knowledge
- . Making (Or helping) convertors from other CMS or forum scripts to CBB

**4. Support team members**

Additional (all active team members):

- . Being active on board with reasonable frequency.
- . Contribution to CBB public release should be GPL licensed

Contact:

**Details:** [https://xoops.org/modules/newbb/viewtopic.php?topic\\_id=36420](https://xoops.org/modules/newbb/viewtopic.php?topic_id=36420)
