

XOOPScuola - YAXS

NEWS_PDF_AUTHOR: canzonando

NEWS_PDF_DATE: 2005/6/7 13:58:16

We announce the birth of XOOPScuola, the new cms for the school in Italian, based on XOOPS. With XOOPScuola© all the services of the school can be extended on the web, sharing informations and communications with parents, students and teachers. XOOPScuola is constructed in order to interact with all the members of all schools. Arguments are shown depending on the category which every user belongs, while the administrator has full loads powers. XOOPScuola is studied from who works in the school for the school! Who wants can download our cms and other services on our site! <http://www.xoopscuola.it>
