

Religious Cultbusting Site - YAXS

NEWS\_PDF\_AUTHOR: nulla

NEWS\_PDF\_DATE: 2005/6/4 7:41:01

Proud to announce the release of an all religions cult awareness and discussion site based in Australia.

Using a slightly modified 7dana.com theme for which we have found their themes to be stable and reliable when used on another site we developed.

In general its a place to inform and discuss issues related to cults, though mainly christian it is open to all mainstream religions.

We have found xoops very versatile and easy to adapt to a certain style of site and build with it.
