Hi! Guys.

I'm TAKA and I have managed the site named BCOOL.

I started the distribution of xoops themes on this site. Of course they are free.

Now, you can see 34 themes on the demonstration site.

download ::BCOOL::

Demo ::BCOOL:: XOOPS THEME DEMO

Please find a favorite theme. I'm looking forward to that your XOOPS sites become cool or cute and more actively!

Thanks. Regards, Taka.
