[size=x-large>Welcome to the Nick Davis Photography site[/size]

Nick Davis is a professional freelance photographer residing in rural Gloucestershire. He has many years photographic experience working in photo-journalism, artistic interpretation and studio work.

nickdavisphotography.com is presented for you to view and enjoy his work. The gallery is the main part of this website displaying a portfolio of photographs, as well as recent on-location, press and studio productions.

You can also apply online for products and services, including the following:

[size=x-large]Weddings

Local events

Private and public exhibitions

Portraits (people & animals)

Studio work

and other photographic events. [/size]

Please enjoy viewing this website where you will see some feature works and samples of photographic styles.

Nick Davis is available for location shoots, contracts and studio appointments.
