

Simple Accounts V0.3 released - Modules

NEWS\_PDF\_AUTHOR: chippyash

NEWS\_PDF\_DATE: 2005/6/25 15:18:17

The latest release of SACC is available from [Simple Accounts Project](#).

This release moves the organisation and account admin screens into the back-end module admin area where they belong.

System documentation (phpMyDoc style) is also available in the release.

Along the way, we also helped develop the standard admin look and feel that will hopefully make it into Xoops 2.2.
