Hello Xoopsers,

I have implemented Kshop in my site and could use some feedback on it. The website is in Dutch. http://www.fred-dresken.nl

I have also an domain for sale.
The domain is, http://www.fruitytunes.com and is complete with MySql etc. and is Xoops ready.
If you are interested? the price is 50,- euro, you can reach me by the contact form on
http://www.fred-dresken.nl

Thanks for the time and feedback.

Fred
