The Parkersburg Area Coalition for the Homeless is a non-profit organization that strives to help those in our community who are homeless. Together we try to find solutions to a problem that no human being should face alone. The Coalition is a group of individuals who give of their time and ideas with the reward of knowing that they have made a difference in someone's life.

I used a modified version of the [Clean Green FW theme](#) for this project. The emphasis was on a clean, uncluttered site where the content was the focal point.

Any feedback is appreciated.

Best Regards,
