Announcing Liaise 1.24 and 1.25 RC - Modules

NEWS_PDF_AUTHOR: tuff

NEWS_PDF_DATE: 2005/7/19 17:40:13

Brandycoke Productions is pleased to announce the release of Liaise version 1.24 and 1.25 RC
.

Version 1.24 is the current stable release with a list of known bugs fixed, works under XOOPS 2.0.9 to 2.0.13.

Version 1.25 RC is a not-so-unstable release, with the same improvement of version 1.24 and works under XOOPS 2.2 RC. This version is a release candidate and not encouraged to use on a production site.

For comments, bug reports and suggestions please visit the homepage of Liaise.
