This weekend, the new site of the [NVSHV](#) (Dutch Association of Accident & Emergency Nurses) went online.

After putting 2 months of spare time into it, I thought it was time to launch.

This wasn't possible if all you XOOPSers did not make such a nice CMS, such great modules and such adequate and quick support.

So thanks to you all, and let me know what you think about [my new site](#).

Greetings,
