The XOOPS China Support site: https://xoops.org.cn has upgraded to XOOPS 2.2 Chinese version RC1.

So far so good!

The XOOPS China Suppor Team is working on XOOPS 2.2 Chinese Final Version and hope it will spead very quickly.

Several other modules by XOOPS China Dev Team:
1 WordPress 1.5 for XOOPS: Final version will be available in one week. If anyone has interest for internal test, plz leave me a message. For XOOPS 2.2 ONLY.

2 Article management: has been for internal test for months, public test was postponed due to XOOPS 2.2 development.
