MyWebResource is proud to announce the first release in a series of XOOPS 2.2.x compliant themes.

The Clean Blue theme is a light, full-width theme for for XOOPS 2.2.x that employs a traditional three-column layout with soft, contrasting blues. This is a very fast theme that uses CSS for the primary decoration elements. This theme is well-suited for most applications and works well with most modules.

Key Features:
Both frontend and backend themes included
User/Admin Navigation bar/Search Bar ported from the new XOOPS Default theme
Integrated page load statistics (page load time and SQL queries)
W3C XHTML 1.0 Transitional Compliant (Theme ONLY)
W3C CSS 2.0 Compliant (Theme ONLY)

Notice: Compatible with XOOPS 2.2.x ONLY!

Enjoy!
