Hi, guys.

I've just released a new xoops theme named "Cube".

You can see the demo @ [bcool theme](#)
and download @ [bcool-downloads](#) page.

[Features]

3column flex type, simple coloring

Tableless layout (Theme ONLY)

W3C XHTML 1.0 Transitional Compliant (Theme ONLY)

W3C CSS 2.0 Compliant (Theme ONLY)

.psd file for your custom Logo included.

Enjoy! Thanks. Regards, Taka.
