SMKKelanaJaya.com. The purpose of this website is to foster better understanding and communication amongst students and teachers of our school. We hope to encourage and promote the use of ICT to prepare ourselves in this perpetual changing digital world. This website will serve as a useful medium for interaction between past and present pupils , teachers and parents. Thank You.

Click here : <http://www.smkkelanajaya.com>

Thank You Xoops.org and to the people who develop xoop. This website wouldn't be here because of you all.
