NEWS_PDF_DATE: 2002/5/20 2:29:01

I converted the great postnuke mblocSputnik theme from Jai (mentalbloc.da.ru) to XOOPS RC2. You will find the updated version in the [Themecentral Exclusive Section](#). Original and updated Photoshop images for easy customizing included.

If you have a theme for XOOPS and want to share it with the community so go to themecentral.com and [upload](#) your theme.
