Due to the positive response of the wonderful Xoops community, the folks at GoXoops.com have continued making new Xoops themes just as fast as our fingers can fly over the keyboard!

We have 197 newly released Xoops themes - of every shape, color and variety available! And stay tuned as we have several hundred more that we will be adding in the coming weeks.

Come visit us at GoXoops.com - the content management theme experts!

P.S. Welcome back Xoops.org - we missed you. I hope the stupid hackers learned that nothing can hold down such a great community!
