A few weeks ago, Crazyman of French community, announced us the closing of of Linesweb.Xoops.

For those who never heard about Linesweb.Xoops, they offered you to download Xoops 2 themes created by its team for free.

Today, Desoude and myself, both members of the passed team, are proud to announce that this team is back in the Xoops community under the name of Xoops-Design !

While we are offering you this information we would also like to announce that we are looking for people to join our modest team so we can offer more themes to our visitors. For more informations go [here](#).

Please note that we will not accept any more custom design request (Themes created specifically for one site).

We are hoping the Xoops-Design return will satisfy you and evrything will be alright.

Cordially yours, the webmasters.
