

MyAnnonces has just left - Modules

NEWS_PDF_AUTHOR: pascal

NEWS_PDF_DATE: 2002/5/23 1:39:55

The first version of MyAnnonces has just left... a classified ads for Xoops RC2 it's relatively complete...:

- Addition of advertisements (members and anonymous)
- Moderation classifieds
- Moderation of the mods of classifieds
- Addition of one photograph by classified
- Classification by categories
- automatic deletion of the classifieds after X days
- Block 2 functions: 1 classified randomly or 10 last classifieds
- ...

but not long speech, test it...

This module is available in the download section ("Telechargement" in french) = > Xoops 1.0 RC2 = > Modules at [Xoops Tests et Modules](#)

for the moment, this modules is only on french but if somebody want to translate in english or in others languages...

thank in advance
