

XAsset - Secure Asset Distribution & Licensing v0.8 - Modules

NEWS_PDF_AUTHOR: McNaz

NEWS_PDF_DATE: 2005/11/3 12:13:44

Panther Software Publishing is pleased to announce the release of xasset 0.8 – media edition. This is a simplified xasset version aimed predominantly at selling music related media on your Xoops 2.0.x site. Xasset supports a plugin payment gateway structure and currently supports Paypal for payment processing.

Panther Software Publishing is also please to announce the launch of <http://www.xasset.co.uk>, our dedicated xasset support site. Please visit us if you want to see xasset in action. Visit our forums if you have any suggestions for xasset.

Please direct all support issues to support@xasset.co.uk or create an account on <http://www.xasset.co.uk> to raise and track support tickets in our Support Center.

Xasset can be download from the [Xoops Developer forge](#).
