

New theme: Xd\_Octavia (free) - Themes

NEWS\_PDF\_AUTHOR: Florianl

NEWS\_PDF\_DATE: 2005/11/17 0:11:57

The Graphics Community [Xoops-Design.org](http://Xoops-Design.org) is happy to announce to you the release of Xd\_Octavia theme.

There are no left and right blocks because this theme is broad. It was cut according to principles of the w3c, without any table.

Screen:

[Download this theme here \(free\)](#)

We are hoping this theme return will satisfy.

Excuse us for our English, we are French!
