XOOPS.org and the Liaison team are proud to announce four newly certified sites for local support of XOOPS. These are all great sites that will meet the support needs of XOOPS users in each of their native languages. They are as follows:

1. [XOOPS Turkiye.com](http://xoops.turkiye.com) XOOPS Turkey Support.
2. [XOOPS PT.com](http://xoops.pt.com) XOOPS Portuguese Support.
3. [XOOPS.LT](http://xoops.lt) XOOPS Lithuanian Support.
4. turkxoops.com XOOPS Turkey Support.

I personally would like to thank each of these sites for their support of XOOPS in the language of their countries. 😊
