The "Article Module Team":

phppp: D.J., <http://xoopsforge.com>, <https://xoops.org.cn>

carnuke: <http://houseofstrauss.co.uk>, <http://whitecrows.us>

Richard: WarDick, timeslicer@gmail.com

A.D.Horse: <http://www.cctv3g.com>

marco: <http://frxoops.org>

We are looking forward to new team members, especially template designers.

Changelog:

- 1 add option for URL rewrite (related to trouble brought by AcceptPathInfo On Apache2)
- 2 bugfix for admin menu, reported by ADHorse
- 3 bugfix for article status marking, reported by ADHorse
- 4 bugfix for wrong parameter in view category, reported by Wanderer
- 5 bugfix for XML feed time format, reported by Wanderer
- 6 bugfix for setting category pid, reported by seeker
- 7 template modification by ADHorse
