

Neoblue theme - Themes

NEWS_PDF_AUTHOR: cmagana

NEWS_PDF_DATE: 2006/1/2 19:39:02

[Guanajuato](#) has released a theme called neoblue, this theme is based on a clean style, in blue tones, This theme is fully compatible with xoops 2.2 and include language files in spanish and english.

You can download this theme here: <http://www.neoideas.net/xoops/downloads/neoblue.zip>

This is a little screenshot of this theme:

Enjoy it.

I hope you like it, I will create more themes for xoops.
