Xoops Site of the Month December 2005 VOTING is Open NOW!

Here we are with the xoops site of the month voting for December 2005. I made the screens from the nominations for month december and now the form to submit your favourite site is online! So please, take some minutes (you won't regret) and browse through the nominated sites. Of course you have time to submit your voting until 23th January 2006. There are some nice examples with great layouts and content.
