

Happy 4th anniversary, XOOPS ! - XOOPS

NEWS_PDF_AUTHOR: Marco

NEWS_PDF_DATE: 2006/1/22 22:10:00

Hello

No one had noticed that, but Xoops project is 4 years old !

Like hsalazar [two years ago](#), i wanted to do something a bit special for the occasion too, and have updated his timeline.

"So here it is. What is it? It's a XOOPS Timeline depicting (sort of) the main dates in the development of this amazing product."

--> A good way to make a flashback through our project.

If you want to see them, just click on the links below :

- [end 2001- early 2004 Period \(author : hsalazar \)](#)
- [early 2004 - early 2006 Period \(author : marco\)](#)

Have fun
