

Server maintenance in progress - News

NEWS\_PDF\_AUTHOR: Herko

NEWS\_PDF\_DATE: 2006/1/31 19:50:00

We're finetuning the database server as is has been giving us a lot of grief lately, so you may experience some outages. When this happens, it means we're restarting the server, testing configuration settings etc. I hope you understand this is for your surfing please ultimately 😊
