Thank you Xoops team and those who contributed themes and modules. With your help, ePhotoZ.com went live a few days ago providing digital camera owners with photo enlargement services and prints up to 30x40.

Feel free to visit and let me know what you think. If you have any questions, feel free to post in comments and I'll do what I can to help.

Best Regards and keep up the great work!!! You guys & gals rock!!!
