## The Chef's Toque Culinaire Dot Net is Online! - YAXS

Posted by: rceph

Posted on: : 2006/3/8 4:28:14

With the help of Xoops, the <http://www.chefstoqueculinaire.net> has converted from a static html of Homestead Site Builder to Xoops.

The Chef's Toque Culinaire is a free online professional culinary resource and community website designed to promote Filipino Chefs in the Philippines and from the rest in the world. We provide free information about Filipino cuisines, Filipino chefs and resource for the culinary, foodservice, and for the hospitality institutions.

Other features include a Photo Album, Article, News Headlines, Web links, Recipes, XoopsStore and more,...

Come on in at [Chef's Toque Culinaire Dot Net!](http://www.chefstoqueculinaire.net) Any comments are welcome, or you may find some useful article and recipes, too! 😊
