manyroads - YAXS

NEWS_PDF_AUTHOR: rabideau

NEWS_PDF_DATE: 2006/3/11 12:40:00

I am pleased to announce the opening of manyroads.info (http://manyroads.info) ManyRoads is a blended website --including both tng (the next genealogy software) and XOOPS.

My theme is a modified version of xmt and the site is running 2.2.3 of XOOPS.

If you are interested in genealogy, or XOOPS, please visit our site.
