

techfinance.ca has a new theme - YAXS

NEWS_PDF_AUTHOR: tl

NEWS_PDF_DATE: 2006/3/13 13:20:27

the old theme had been running on the site for almost one and half years. it had served the site very well but become a bit tiresome. finally it is time for a change and here it is:

<http://www.techfinance.ca>

the theme has not been tested under safari and would appreciate it very much if someone could test it. thank you!

cheers,

tl
