

XPress (WordPress for XOOPS) 2.02 release - Modules

NEWS_PDF_AUTHOR: phppp

NEWS_PDF_DATE: 2006/3/31 2:20:33

The mainly changes are those claimed by wordpress dev team:

- * several bugfixes and security fixes
- * (security problems) either not actual security problems, too small to warrant a release, or just patently false

Get it:
