

xf_GeminiBlue - Themes

NEWS_PDF_AUTHOR: studioC

NEWS_PDF_DATE: 2006/4/5 19:18:24

A friend of mine, who is using WordPress with the GeminiBlue theme a long time, asked me if I could port the GeminiBlue theme (from geeksmakemehot.com) to xoops so that he could use a forum and the other nice things I'm able to use with XOOPS within a layout, his visitors are used to.

You can see a live preview following [THIS LINK](#).

More information and Download on: [xoops factory](#).
