

## ZentrackXoops Mods & Hacks - Modules

NEWS\_PDF\_AUTHOR: dkeir

NEWS\_PDF\_DATE: 2006/4/11 17:48:47

A couple of minor, but useful, hacks and modifications have been released for ZentrackXoops 2.6.0.4.

These include the auto-creation of module users from Xoops users when first accessing the module, and the ability to search and add new users by Xoops Groups.

Downloads can be found on the [ZentrackXoops module project page on SourceForge](#)
