

Galery 1.3 patch for XOOPS v1 RC3 - Modules

NEWS_PDF_AUTHOR: onokazu

NEWS_PDF_DATE: 2002/6/22 7:26:01

This patch will enable Gallery at gallery.sourceforge.net to work as a module in XOOPS v1 RC3. This patch does not contain the original Gallery files, so you must first download them from gallery.sourceforge.net and then apply this patch.

Please follow the instruction written in XOOPS_README.txt for details.
