

Galery 1.3 patch for XOOPS v1 RC3 - Modules

NEWS\_PDF\_AUTHOR: onokazu

NEWS\_PDF\_DATE: 2002/6/22 7:26:01

This patch will enable Gallery at [gallery.sourceforge.net](http://gallery.sourceforge.net) to work as a module in XOOPS v1 RC3. This patch does not contain the original Gallery files, so you must first download them from [gallery.sourceforge.net](http://gallery.sourceforge.net) and then apply this patch.

Please follow the instruction written in XOOPS\_README.txt for details.
