Aussie Community is established to assist in community needs, and is a Not For Profit Organisation <http://www.aussiecommunity.com.au/portal>

Aussiecommunity is made up of several businesses. With each business aussiecommunity contributes part of it's income stream back into the community.

Our immediate prime objective is to supply medical aids and equipment to those in need free of charge Australia Wide.

our ongoing mission is to create funding for the following:

A fund used for aiding the nursing communities

A fund used for giving private physio therapy to those that cannot recieve public assistance

A fund used for buying products for the disabled that MASS or other gov't agencies do not subsidies

A fund used for supplying music in the form of therapy

A fund used for across the board funding for beyond those listed
